NOVEMBER 2017

PRESIDENT'S BLOGMLLC President Pam Carpenter

We have two new service areas that we will focus on this year. One is Diabetes and in the spring we will focus on Pediatric Cancers. After the first of the year we will engage in working with organizations that aid in the care of Diabetes and how we can serve the needs of those struggling with this illness. In the next few months we will be gathering information and educating ourselves with Diabetes in order to have a better understanding and knowledge of where our services are best served. Lion Camp Merrick was recommended for sponsoring a child/family needing additional assistance. We will stride to create pamphlet on nutrition and education that we can distribute in the school system. We are also researching Diabetes screening and how we can assist the medical professionals.

We will do many fundraisers such as bake sales, yard sales, white elephant, 50/50 raffles, and wine/beer tasting that will allow us to raise funds to continue our serve in the community. Each member plays an important part in our Lions Club. We are a great club and continue to grow as a service team when we all work together as one.

Team effort, Structure and Organization is the key for success.

FOOD DRIVE

The club had a very successful food drive on Friday, October 27th at the Wellington Giant to benefit House of Mercy. Again the community response was overwhelming and we collected food donations valued at approximately \$950 in 3 hours. Thanks to all the volunteers who helped make the food drive a great success-- Lion Marie Robinson, Lion Melissa Stoltz, Lion Ethel Kennedy, Lion Maryellen Warren, Lion June Rich, Lion Pat Dekkers and Lion Beth Oravec. Lions Beth and Pat sorted the donations and delivered them to the House of Mercy. The food pantry shelves were getting low and we were able to stock the shelves to help House of Mercy continue their service to those in need in the community.
